THE BMW X3. VERSATILITY WITHOUT LIMITS.

THE MODEL SHOWN.

- 04 BMW X3 xDRIVE20d xLINE:**
BMW TwinPower Turbo four-cylinder diesel engine; 140kW (190hp); 19" light alloy wheels Y-spoke 608; exterior in Mineral White metallic; seats in Mocha Nevada leather with appliqué and imprints; high-gloss Finesse Anthracite interior trim.

Further information on fuel consumption and CO₂ emissions can be found on pages 48 | 49 or consult your BMW partner.

INNOVATION AND TECHNOLOGY.

- 18 BMW TWIN POWER TURBO ENGINES:**
The heart of BMW EfficientDynamics.
- 20 BMW EFFICIENT DYNAMICS:**
Making light work of lower fuel consumption.
- 22 BMW CONNECTED DRIVE:**
Services & Apps and driver assistance.
- 24 CHASSIS:**
Innovative systems for more driving pleasure.
- 26 SAFETY:**
Technology at the highest level.

INDIVIDUALITY AND VERSATILITY.

- 30 EQUIPMENT:** BMW xLine and M Sport package, equipment highlights, wheels and tyres and Original BMW Accessories.
- 44 COLOURS:** A world of colour for the exterior and interior.
- 48 TECHNICAL DATA:** Weight, engine, transmission, performance, fuel consumption, wheels and dimensions.
- 50 BMW SERVICE:** BMW Service, BMW Financial Services and BMW Experience.

LIVE LIFE TO THE FULLEST!

The BMW X3 – built for both the small and large challenges that every day brings. Whether it's on the way to work, or at the weekend. With family or for some quality time alone. And with precisely the right mixture of sporting character, appealing design, impressive efficiency and clever functions, every adventure is child's play. Discover your urge to explore – and act on it: with the BMW X3.

EXPERIENCE ALL OF THE HIGHLIGHTS
IN THIS SHORT VIDEO.

**SHORT SPRINT.
LONG
RANGE.**

When the BMW X3 accelerates, it doesn't just inspire its driver. It also captivates anyone who sees it. Its sporting character is revealed in an extremely dynamic driving experience with simultaneously impressive efficiency – and fascinating design that emphasises the athletic character of the BMW X3.

You decide where the road goes: the BMW X3 knows how to assert itself where there is no fixed route. The four-wheel drive BMW xDrive system ensures greater traction and safety on every surface. This makes every journey an unforgettable experience – no matter how far from the city you venture.

**NOT TOO PRETTY
TO PLAY DIRTY.**

**THERE'S EVEN MORE SPACE
IN THE GLOVEBOX.**

There's no need to think too hard about what to take with you – take everything. The BMW X3 is always perfectly prepared with a generous interior featuring a host of storage possibilities and, just like the luggage compartment (550–1600 litres), is equal to every challenge. The BMW X3 also offers another large-scale attraction: the Panorama glass roof provides a perfect view of everything your day has in store.

BRING ON THE NEXT ADVENTURE.

What is the best thing about arriving? Being able to drive off again – in the BMW X3. Its comfort, its cabin space, its agility and its sporty design answer every challenge. Experience versatility at its most compelling – and look forward to adventures every day with the BMW X3.

INNOVATION AND TECHNOLOGY.

BMW TWIN POWER TURBO ENGINES: The heart of BMW EfficientDynamics.

BMW EFFICIENT DYNAMICS: Making light work of lower fuel consumption.

BMW CONNECTED DRIVE: Services & Apps and driver assistance.

CHASSIS: Innovative systems for more driving pleasure.

SAFETY: Technology at the highest level.

BMW TwinPower Turbo engines. At the heart of BMW EfficientDynamics.

Thanks to BMW TwinPower Turbo technology, the innovative new generation of BMW petrol and diesel engines from the BMW EfficientDynamics engine range guarantee even more thrilling power delivery and excellent responsiveness even at low engine speeds, while also keeping fuel consumption and emissions to a minimum. Increased efficiency and optimal dynamics make driving a BMW more enjoyable than ever.

NEW-GENERATION BMW TWIN POWER TURBO FOUR-CYLINDER DIESEL ENGINES.

The **BMW X3 xDrive20d** and the **BMW X3 sDrive18d** increase their impressive output to 140kW (190hp)¹ and 110kW (150hp)¹ respectively. Their combination of CommonRail direct injection and a turbocharger with variable turbine geometry, meanwhile, ensures plenty of torque. At the same time, the diesel engine's fuel consumption remains low, which is supported by the optional **eight-speed Steptronic transmission**. This additionally provides higher shifting and driving comfort through finely tuned gearing and near-seamless gearchanges. Along with the increased fuel economy and comfort, the system also noticeably enhances dynamics.

BMW EFFICIENTDYNAMICS.
LESS EMISSIONS. MORE DRIVING PLEASURE.

BMW X3 xDrive35d.

- BMW TwinPower Turbo inline six-cylinder diesel engine with 230kW (313hp) and 630Nm of torque
- Acceleration 0–100km/h: 5.3s; top speed: 245km/h
- Combined fuel consumption: 6.0l/100km¹
- CO₂ emissions: 157g/km¹

BMW X3 xDrive35i.

- BMW TwinPower Turbo inline six-cylinder petrol engine with 225kW (306hp) and 400Nm of torque
- Acceleration 0–100km/h: 5.6s; top speed: 245km/h
- Combined fuel consumption: 8.3l/100km¹
- CO₂ emissions: 193g/km¹

BMW X3 xDrive30d.

- BMW TwinPower Turbo inline six-cylinder diesel engine with 190kW (258hp) and 560Nm of torque
- Acceleration 0–100km/h: 5.9s; top speed: 232km/h
- Combined fuel consumption: 5.7–6.1l/100km¹
- CO₂ emissions: 149–159g/km¹

BMW X3 xDrive28i.

- BMW TwinPower Turbo four-cylinder petrol engine with 180kW (245hp) and 350Nm of torque
- Acceleration 0–100km/h: 6.5s; top speed: 230km/h
- Combined fuel consumption: 7.0–7.4l/100km¹
- CO₂ emissions: 162–172g/km¹

BMW X3 xDrive20d.

- BMW TwinPower Turbo four-cylinder diesel engine with 140kW (190hp) and 400Nm of torque
- Acceleration 0–100km/h: 8.1s; top speed: 210km/h
- Combined fuel consumption: 5.1–5.5² [4.9–5.3²]l/100km¹
- CO₂ emissions: 135–145² [129–139²]g/km¹

BMW X3 sDrive20i/xDrive20i.

- BMW TwinPower Turbo four-cylinder petrol engine with 135kW (184hp) and 270Nm of torque
- Acceleration 0–100km/h: 8.2s (X3 xDrive20i: 8.4s); top speed: 210km/h
- Combined fuel consumption: 6.7–7.1²l/100km¹ (X3 xDrive20i: 7.4–7.9²l/100km¹)
- CO₂ emissions: 156–166²g/km¹ (X3 xDrive20i: 173–183²g/km¹)

BMW X3 sDrive18d.

- BMW TwinPower Turbo four-cylinder diesel engine with 110kW (150hp) and 360Nm of torque
- Acceleration 0–100km/h: 9.5s; top speed: 195km/h
- Combined fuel consumption: 4.7–5.1² [4.7–5.1²]l/100 km¹
- CO₂ emissions: 125–133² [125–135²] g/km¹

¹ Fuel consumption and CO₂ emissions depend on wheel and tyre size. See pages 48|49 for more information.

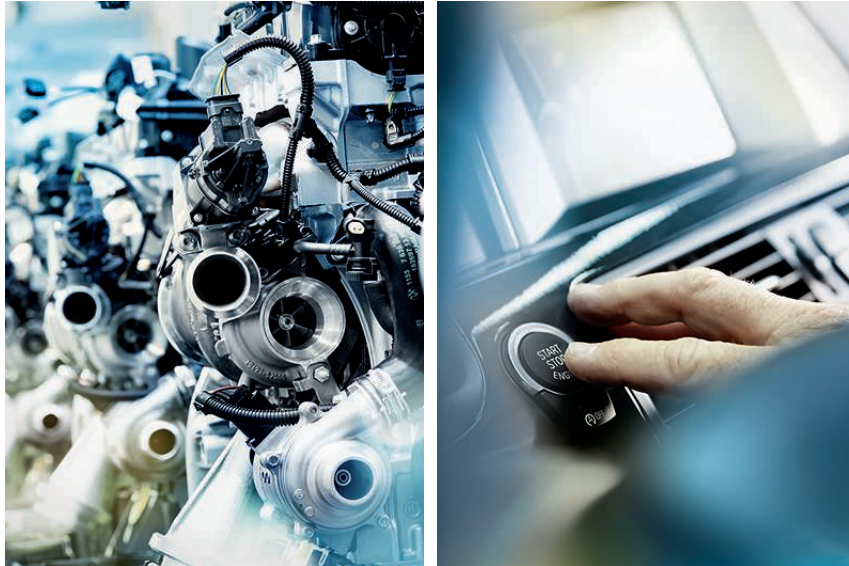

² Lowest value determined with cost option 2AM 17" light alloy wheels Streamline 306.

Information on performance, fuel consumption and CO₂ emissions applies to vehicles with standard transmission. Values in [] refer to vehicles with optional eight-speed Steptronic transmission.

BMW EfficientDynamics

Less emissions. More driving pleasure.

Whether the goal is maximum performance or minimum fuel consumption – for us, the focus is always on delivering quintessential BMW driving pleasure. BMW EfficientDynamics is the strategy developed by BMW to minimise fuel consumption and CO₂ emissions while simultaneously increasing dynamics and driving pleasure. It is a comprehensive technology package that includes the drive train, energy management and the vehicle concept – and is standard in every BMW.

OUTSTANDING: BMW EFFICIENT LIGHTWEIGHT

The structure of the BMW X3 uses a wealth of high-tech materials. They include lightweight aluminium in the front and the chassis, high-strength steel in the body and ultra-modern plastics and magnesium. This intelligent lightweight construction reduces the weight of the components and creates exceptional body rigidity for enhanced passive safety for the driver and passengers. It also improves driving dynamics thanks to balanced weight distribution between the front and rear axles.

DRIVETRAIN.

The BMW TwinPower Turbo technology concept features in all **petrol engines**. Innovative turbocharging technology in combination with High Precision Injection and Valvetronic fully variable valve control including Double-VANOS increases output for more spontaneous responses, even at lower engine speeds, and, at the same time, reduced fuel consumption.

BMW TwinPower Turbo technology in the **diesel engines** combines the very latest fuel injection technology for increased efficiency and fully variable turbine geometry for higher dynamics. They are all built in lightweight aluminium and each is equipped with a maintenance-free particulate filter.

OVERALL CONCEPT.

Precisely coordinated **aerodynamics measures** optimise the drag coefficient which, in turn, has a positive effect on overall efficiency. Features that contribute to this include panelling that creates a flat underbody and aerodynamically optimised wing mirrors.

ENERGY MANAGEMENT.

ECO PRO mode can lead to fuel savings of up to 20%, depending on individual driving behaviour. Another 5% can be gained through additional functions such as “Coasting” (only with eight-speed Steptronic transmission), the Route-Ahead Assistant (only Navigation System Professional) and ECO PRO Route (only with Navigation System Professional or Business).

The **Automatic Start/Stop function** switches the engine off when the vehicle comes to a temporary standstill (e.g. at traffic lights or in a traffic jam) to reduce overall fuel consumption. When the driver presses on the clutch (manual transmission) or takes their foot off the brake (Steptronic), the engine automatically starts up again in a fraction of a second.

The **Optimum Shift Indicator** recommends the most efficient gear for every driving situation. The resulting well-timed shifts lead to noticeably lower fuel consumption, particularly in urban and inter-urban traffic. In all BMW models with a manual transmission, the optimum gear is indicated by a display in the cockpit.

With **Brake Energy Regeneration**, the alternator generates electricity primarily when the driver brakes or takes their foot off the accelerator. Previously unused kinetic energy is transformed into electrical energy and fed into the battery.

Unlike conventional hydraulic systems, **Electric Power Steering** enables precise steering at any speed. In addition, it reduces fuel consumption as its electric motor – in contrast to a hydraulic pump – only uses energy when steering support is actually required.

BMW ConnectedDrive So connected, you're free.

Our world is becoming more closely connected every day. And for BMW drivers it goes without saying that they can request information, communicate via telephone or email and always be up to date – all while they're on the go. The BMW ConnectedDrive¹ concept encompasses all the services and innovative technologies that link BMW vehicles and their passengers to the outside world and surrounding traffic.

The **BMW ConnectedDrive Services*** option provides the driver with a wide range of information, entertainment and service features on the road.

It also includes BMW Online, which enables you to access current, localised information such as weather, news and an online search powered by Google™, as well as various office functions. You can also combine individual services and features such as webcams, fuel price info, parking information, travel and hotel guides in the "Applications" menu.

The secure and comfortable use of selected smartphone applications is also included for an unlimited period of time. The ConnectedDrive Services option also includes access to the **BMW ConnectedDrive Store**, in which services and apps can be booked, extended and selected according to individual needs, at any time and from any place. The ConnectedDrive Services option also offers much more to make each journey in a BMW into a real experience.

BMW ConnectedDrive, with its intelligent services and assistance systems, is always ready with all the right equipment. **BMW ConnectedDrive Services & Apps** offer more freedom by providing versatile connections between the driver, vehicle and outside world. **BMW ConnectedDrive Driver Assistance systems** make driving a BMW safer and more comfortable. And intelligent systems make life easy for the driver and minimise the dangers of traffic.

The **Driving Assistant Plus** option (only with Steptronic transmission) includes Approach Warning and Lane Departure Warning as well as Active Cruise Control with the Stop&Go function. In this way, Driving Assistant Plus enhances driving safety and comfort on motorways.

The **Parking Assistant** makes parallel parking easier. When travelling at speeds below 35km/h, the system measures any parking gaps the vehicle passes. When a suitable space has been found, the Parking Assistant will do the steering, while the driver continues to operate the accelerator, gears and brakes.

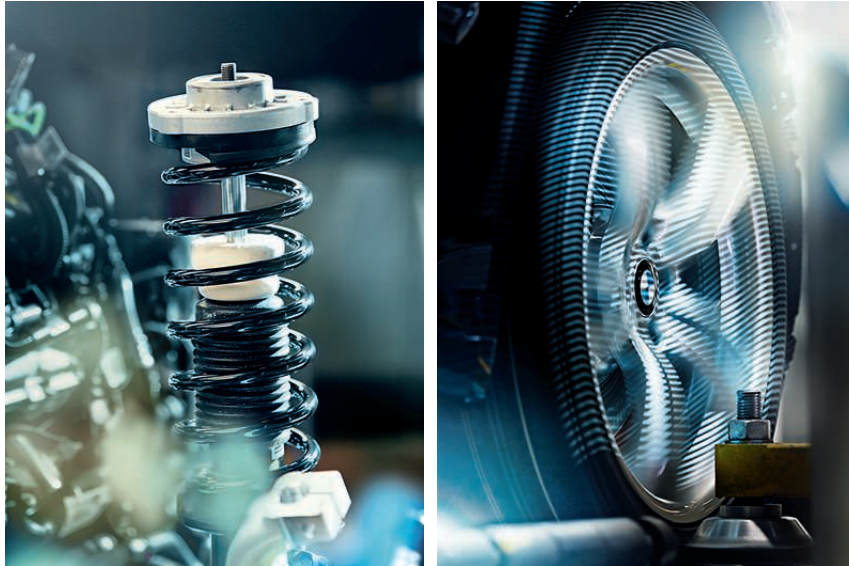

The radar-based **Lane Change Warning** detects vehicles in the blind spot as well as fast oncoming cars in the neighbouring lane during a planned lane change (activated indicator) if the car has reached the speed required to activate the system, both through a vibration in the steering wheel as well as visually through a blinking warning symbol on an exterior mirror.

* May not be available in all countries. Please consult your BMW partner.

Chassis. A solid foundation for superior driving dynamics.

A wide range of innovative technology in the BMW X3 is there to make sure that you thoroughly enjoy every journey. Many systems are intelligently networked, allowing you to experience maximum driving pleasure in the utmost safety.

THE INTELLIGENT BMW ALL-WHEEL DRIVE SYSTEM xDRIVE.

This system adapts perfectly to even the most challenging road conditions, ensuring outstanding traction at all times. With xDrive and Dynamic Stability Control (DSC), the vehicle remains directionally stable and on track. Split-second response times allow xDrive to distribute drive power flexibly between the two axles for optimum grip. In this way, xDrive combines the advantages of all-wheel drive – traction, directional stability and safety – with classic BMW agility.

The optional **Dynamic Damper Control** allows the driver to adapt the shock absorber characteristics to suit the driving situation, thus enhancing ride comfort and driving dynamics. In addition to the standard COMFORT setting, there are also SPORT and SPORT+ modes for even more sporty driving enjoyment.

The optional **Variable sport steering** with Servotronic enables direct and agile handling with less steering effort. It reacts according to the steering angle, and independently of speed, to improve handling during sporty driving. It also makes parking more comfortable.

BMW Performance Control intervenes through engine control and targeted braking in corners, so more power is distributed to the outer wheels and less to the inner wheels. This means that the vehicle practically turns itself, thus increasing driving safety and comfort.

Driving Experience Control, fitted as standard, lets the driver choose between the standard COMFORT mode, ECO PRO mode, which is geared towards efficiency, and SPORT mode, which enables even more dynamic driving. ECO PRO adjusts the characteristics of the accelerator pedal and transmission as well as the heating/air conditioning settings to suit the driving situation.

The five-arm rear axle is particularly rigid, so it enables precise wheel control – a must for exceptionally dynamic driving. The axle is also expertly designed for comfortable coasting. Furthermore, the flat configuration with widely placed spring struts allows for a level luggage compartment with a large loading width.

Safety.

Unparalleled safety with the latest BMW technology.

The BMW X3 is full of cutting-edge technology that can always be relied on. Superb handling and innovative equipment come as standard, giving the driver exactly the right support for any situation. It all means that you can feel safe in all road conditions.

Multi-faceted functionality. Singular safety. The BMW X3 offers a wide spectrum of cutting-edge safety systems. Dynamic Stability Control (DSC), for example, can detect the onset of a loss of traction and prevents the vehicle from veering off course. There are also the optional Adaptive Headlights with variable light distribution for increased comfort and safety. The swivelling headlights follow the turns of the steering wheel to guarantee optimum visibility through every corner.

■ The **passenger cell** ensures optimum passive safety in the event of front, side and rear crashes thanks to a functionally designed structure featuring a special system of members and node connections and the targeted use of high-strength materials.

■ The **airbags for the driver and front passenger** are an integral part of the optimally coordinated safety components in a BMW. Driver and front passenger airbags as well as side and head airbags provide strategic protection.

■ The **tyre pressure monitor** warns the driver of any loss in pressure by means of a sensor that measures tyre pressure and air temperature.

■ **Dynamic Stability Control (DSC)** uses sensors to constantly assess vehicle movement, optimising directional stability and traction by intervening, as required, with engine and brake management. This improves vehicle control, even on difficult surfaces, while also increasing safety and driving pleasure.

□ **Adaptive LED Headlights**, including low-beam and high-beam headlights, LED turn indicators, BMW Selective Beam (anti-dazzle High-Beam Assistant) and Adaptive Headlights.

□ **The Approach Warning**, which is part of the Driving Assistant option, is a camera-based safety function that detects vehicles in front and warns the driver when they are getting too close.

INDIVIDUALITY AND VERSATILITY.

EQUIPMENT: BMW xLine and M Sport package, equipment highlights, wheels and tyres and Original BMW Accessories.

COLOURS: A world of colour for the exterior and interior.

TECHNICAL DATA: Weight, engine, transmission, performance, fuel consumption, wheels and dimensions.

BMW SERVICE: BMW Service, BMW Financial Services and BMW Experience.

[01 / 03] The BMW X3 in the optional exterior colour Mineral Silver metallic with optional 17" light alloy wheels Streamline 306. **[02]** The leather steering wheel with optional multifunction buttons offers satisfying grip.

[04] The seats in the optional cloth/leather combination Pearlpoint Anthracite offer comfort and elegance in the interior. **[05]** 18" light alloy wheels V-spoke style 307, 8 J x18 with 245/50 R 18 tyres (standard for X3 xDrive28i, X3 xDrive35i, X3 xDrive30d and X3 xDrive35d).

xLINE.

■ Standard equipment □ Optional equipment

BMW xLine interior equipment features:

- door sill finishers in Aluminium with the BMW designation
- Seats with Carve cloth/leather combination in Amber/Black with Active Red contrast stitching
- Seats in Mocha, Black or Ivory White¹ Nevada leather (each with appliques and imprints on the head-restraints) or Nevada leather in Beige, Saddle Brown or Oyster
- Sport leather steering wheel (optionally available with multifunction buttons) or
- M leather steering wheel
- interior trim finishers in Dark Copper high-gloss
- interior trim finishers in fine-wood trim Fineline Anthracite, Fineline Light or Burled Walnut – each with Pearl-Gloss Chrome accent line, or interior trim finishers in Aluminium, finely brushed lengthwise
- loading sill trim in stainless steel
- car key with Aluminium satinised detailing

BMW xLine exterior equipment features:

- 18" light alloy wheels Y-spoke style 607
- 19" light alloy wheels Y-spoke style 608 with mixed tyres, other wheels are available
- BMW kidney grille with exclusively designed slats in Aluminium satinised
- front bumper with characteristic design elements and underbody protection design element in Aluminium satinised
- rear underbody protection design element in Aluminium satinised
- side skirts in Aluminium satinised
- side window frames and window recess finishers in Aluminium satinised, B-pillar and C-pillar in Black high-gloss
- tailpipe trim in Aluminium satinised

[01 / 04] The BMW X3 with the M Sport package featuring the optional exterior colour Space Grey metallic and optional 19" M light alloy wheels Double-spoke style 622 M with mixed tyres (shown here with the optional Adaptive LED headlights). [02] 20" M light alloy wheels Double-spoke style 310 M with mixed tyres. Front: 8.5 J x 20 with 245/40 R 20 tyres. Rear: 10 J x 20 with 275/35 R 20 tyres. [03] The Sport seats provide particularly good hold and, with the optional Ivory White Nevada leather with appliqué and imprints on the head-restraints, underscore the sporty appearance of the BMW X3 with the M Sport package.

[05] The BMW Individual high-gloss Shadow Line roof rails complement the M Sport package. [06] 18" M light alloy wheels Star-spoke style 368 M, 8 J x 18 with 245/50 R 18 tyres. [07] The M leather steering wheel incl. multifunction buttons and specially formed thumbrests contributes to precise vehicle control. The Fine-brushed aluminium interior trim underlines the sporty look and feel.

EQUIPMENT HIGHLIGHTS.

■ Standard equipment □ Optional equipment

[01] Xenon Headlights incl. low- and high-beam functions include automatic headlight range control as well as parking lights, side lights and daytime running lights. **[02]** Adaptive LED Headlights incl. low- and high-beam and LED indicators, BMW Selective Beam (anti-dazzle High-Beam Assistant) and Adaptive Headlights with variable light distribution for city and motorway. Cornering lights for optimum road illumination are also featured. **[03]** The LED fog lights' bright white light allow for a better view and increased safety when visibility is poor. **[04]** The Panorama glass roof provides fresh air and ensures a welcoming, light-flooded ambience in the interior. **[05]** BMW Individual Exterior Line incl. trim strips and window recess finishes in satin-finish Aluminium. **[06]** The trailer tow hitch with electronically pivoting tow ball (not visible) and stability control is capable of pulling heavy loads of up to 2,400kg (depending on model and transmission). **[07]** The roof rails in satin-finish aluminium provide the base for a multifunctional BMW roof rack unit.

[08] Radio Professional, incl. fixed 6.5" LCD colour display, iDrive Controller, MP3-compatible CD drive and six loudspeakers. **[09]** Navigation system Professional, including hands-free facility, USB interface, navigation with DVD player. **[10]** Navigation System Business, incl. iDrive Controller, Radio Professional, CD drive and fixed 6.5" LCD colour display. **[11]** Harman Kardon Surround Sound System with 600W digital amplifier, 16 speakers incl. centre speaker and surround mode. **[12]** Convenience Telephony with extended smartphone connectivity allows a mobile phone to be connected to the vehicle via Bluetooth and used with a hands-free kit. **[13]** Storage space incl. compartments with a range of storage possibilities in the doors and cupholders. **[14]** Interior and exterior mirrors with automatic anti-glare function, including mirror memory and automatic parking function for the front passenger wing mirror. **[15]** The BMW Selective Beam (anti-dazzle High-Beam Assistant) detects other road-users and selectively excludes them from the high-beam headlight distribution (included with Adaptive Headlights or Adaptive LED Headlights).

EQUIPMENT HIGHLIGHTS.

■ Standard equipment □ Optional equipment

[01] The rear view camera shows the area behind the car on the control display. Interactive track lines assist the driver. **[02]** The full-colour BMW Head-Up Display* projects relevant driving information directly into the driver's line of sight, incl. instrument cluster with 9.2" info display. **[03]** The instrument cluster features four analogue dials including a speedometer, rev counter and coolant temperature display, as well as a 2.7" Info Display. **[04]** Speed Limit Info incl. no-overtaking indicator provides information on speed limits as well as no-overtaking zones. **[05]** The Driving Assistant combines the Lane Departure Warning and Approach Warning systems. **[06]** Surround View is a visual parking aid. The immediate 360-degree environment is shown on the Control Display via cameras on the vehicle. **[07]** The Lane Change Warning detects other vehicles when changing lanes and warns the driver through vibration in the steering wheel and a triangular warning symbol on the wing mirror. **[08]** Driving Assistant Plus (only available with Steptronic transmission) incl. Approach and Lane Departure Warning, Active Cruise Control with Stop&Go function. **[09]** The Parking assistant² makes parallel parking easier. It does the steering while the driver remains in control of the accelerator and brake.

[10 / 11] Two front cupholders offer practical storage. **[12]** The multifunction buttons on the steering wheel can be used to operate the telephone, voice control and audio functions, as well as the Cruise Control. **[13]** Driving Experience Control lets the driver choose between the standard COMFORT mode, ECO PRO mode, geared towards efficiency, and SPORT mode. **[14]** The M leather steering wheel features multifunction buttons, more pronounced thumbrests and a thicker rim for better grip. **[15]** Steering wheel heating quickly warms up the rim of the wheel at the push of a button – a comfort feature which is especially useful in winter. **[16]** Dynamic Stability Control (DSC) continuously monitors driving conditions and optimises directional stability and traction. **[17]** The 8-speed Steptronic transmission offers smooth gear shifts and more comfortable driving at the same time as lower consumption, thanks to closely spaced gear ratios and small engine speed transitions. **[18]** The eight-speed Steptronic sport transmission allows styles ranging from comfortable coasting through to the very dynamic.

* The display is not fully visible when wearing polarised sunglasses. The exact content shown on the BMW Head-Up Display will depend on the equipment options chosen. Further optional equipment is required for the display.

² Not available with 20" M light alloy wheels 310 M.

EQUIPMENT HIGHLIGHTS.

■ Standard equipment □ Optional equipment

[01] The Sport seats for the driver and front passenger provide optimum hold through adjustment of the backrest widths, fore-and-aft positions, seat heights and the angles of the backrests and seats. **[02]** The roller sunblind for the rear side windows can be manually raised and lowered and protects against direct sunlight while also providing privacy. **[03]** The seat heating for the driver and front passenger enables the entire seat and backrest surfaces to be heated, including contours. **[04]** Electronic seat adjustment makes operation easier and the memory function allows users to save their desired settings for the driver's seat and wing mirrors. **[05]** Lighting package, partially LED: Reading lights, vanity mirror lights, footwell illumination, two-colour ambient lights (shown above) and more. **[06]** Automatic air conditioning with two-zone regulation¹, Automatic Air Recirculation (AAR), microfilter, fogging and solar sensors, black panel-look centre console. **[07]** The one-zone air conditioning cools or heats the interior of the vehicle to the correct temperature in any season.

[08] Tailpipe, visible, oval, left side, with chrome trim.² **[09]** Double tailpipes, round, left side, with chrome trim.³ **[10]** Comfort Access⁴ allows the driver to open the doors and start the engine without using the car key. **[11]** The luggage compartment dividing net helps to prevent loaded items from falling into the passenger compartment under heavy braking. **[12]** Automatic tailgate operation allows the tailgate to be opened electronically at the press of a button. **[13]** The through-loading system includes dividable rear seat backrests (40:20:40-split), a centre armrest with integrated storage compartment and two cupholders. **[14]** The storage package includes a storage compartment, 12V sockets, as well as a storage net, fastening strap, hooks, lashing rails and fastening points in the luggage compartment.

¹ The image shows the Intelligent Safety button (only available with driver assistance systems).

² Standard for X3 sDrive20i, X3 xDrive20i, X3 sDrive18d and X3 xDrive20d.

³ Standard for X3 xDrive28i, X3 xDrive35i, X3 xDrive30d and X3 xDrive35d.

⁴ Contactless opening and closing of the luggage compartment is part of the Comfort Access system in conjunction with electric tailgate operation and is not available for the M Sport package.

WHEELS AND TYRES.

■ Standard equipment □ Optional equipment ○ Accessories

[01] 19" light alloy wheels Double-spoke style 309 with mixed tyres. Front: 8.5 J x 19 with 245/45 R 19 tyres. Rear: 9.5 J x 19 with 275/40 R 19 tyres. **[02]** 18" light alloy wheels Double-spoke style 605, 8 J x 18 with 245/50 R 18 tyres. **[03]** 18" light alloy wheels V-spoke style 307, 8 J x 18 with 245/50 R 18 tyres (standard for X3 xDrive28i, X3 xDrive35i, X3 xDrive30d and X3 xDrive35d). **[04]** 17" light alloy wheels Y-spoke style 305, 7.5 J x 17 with 225/60 R 17 tyres. **[05]** 17" light alloy wheels V-spoke style 304, 7.5 J x 17 with 225/60 R 17 tyres (standard for X3 sDrive18d, X3 sDrive20i, X3 sDrive18d and X3 xDrive20d). **[06]** 17" light alloy wheels Streamline 306¹, 8 J x 17, 245/55 R 17, help to reduce fuel consumption and CO₂ output. **[07]** 20" BMW light alloy wheels Y-spoke style 542, Bicolor, matt Black, burnished on visible sides and with mixed tyres. Front: 8.5 J x 20 with 245/40 R 20 tyres. All dimensions in millimetres.

- Figure quoted includes a 90% full tank, 68kg for the driver and 7kg of luggage. Unladen weight applies to vehicles with standard equipment. Optional equipment increases this value.
- The actual overall trailer weight may not exceed the max. permitted trailer load, while taking into account the max. permitted tow bar download. The max. trailer load of 2400 kg only applies in conjunction with a factory-fitted trailer tow hitch and automatic transmission.
- BMW recommends the use of RON 95 super unleaded petrol. Unleaded RON 91 and higher with a maximum ethanol content of 10% (E10) may also be used. Output and fuel consumption figures apply to RON 98 fuel.
- All engines conform to the EU6 emissions standard. Fuel consumption is determined according to the ECE combined cycle in which approx. one-third of the distance covered is in urban traffic and two-thirds is extra-urban (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption. Fuel consumption and CO₂ emissions are dependent on wheel and tyre size. Optional equipment may increase these figures. For further information consult your BMW partner.

- The lowest value is achieved with the cost option 2AM 17" light alloy wheels Streamline 306.
- Height without roof aerial is 1661mm.

Figures in [] refer to vehicles with eight-speed Steptronic transmission.

WELL TAKEN CARE OF WITH BMW SERVICES:

When you buy a BMW, you can look forward to superb service and comprehensive customer care. For example, the **Condition Based Service** independently tracks both service fluid levels and the condition of parts subject to wear and then notifies you in the display when the vehicle requires servicing. So you only need to go to your BMW service partner when it's really necessary. When you do go, our

qualified BMW service specialists take care of your vehicle using the newest workshop technology and only **original BMW parts**. This service is available worldwide in more than 3,300 BMW service partner establishments in over 150 countries, to provide you with limitless driving pleasure.

BMW SERVICE.

BMW Service Inclusive*: The BMW Service Inclusive service packages ensure that costs for maintenance, inspection and worn parts are covered for the duration of your contract, allowing you to focus on unlimited driving pleasure. This service is available worldwide from all participating BMW service partners. For more information please visit www.bmw.com/serviceinclusive

BMW Guarantee extension: The BMW guarantee extension packages offer extended protection for your newly purchased BMW, in addition to the legal guarantee period. So you can enjoy another three years of carefree driving (up to the vehicle's 5th year). Find out more at www.bmw.com/serviceinclusive

BMW Mobile Service*: This service is there for you in case of a breakdown, day and night. Specially trained BMW technicians do everything necessary, on the phone or on-site, to get your car back on the road as fast as possible. We offer a comprehensive country-specific mobility package for breakdowns and insurance that covers you in the event of an accident or theft. And in case of an accident, call us at the BMW accident hotline! We'll take care of calling the police, an ambulance, a tow truck, a replacement car, notifying your insurance company and much more. For more information visit www.bmw.com

BMW Teleservices*: With Condition Based Service, you'll be automatically notified in the display of your next necessary service appointment. Provided you've consented, the most important vehicle data required for analysis will be relayed to BMW automatically. Your assigned BMW service partner will access the information and contact you free of charge to make a service appointment – if one is necessary. To access BMW Teleservices, the vehicle must be equipped with the optional Intelligent Emergency Call or ConnectedDrive Services. If necessary, the service can be deactivated at any time. For more on this topic please visit www.bmw.com/teleservices

BMW FINANCIAL SERVICE.

BMW Financial Services: Tailor-made finance: BMW Financial Services offers you attractive leasing, finance and insurance packages. For further information visit www.bmwfs.com or ask your local BMW partner to make you an individual offer.

THE BMW EXPERIENCE.

BMW TV*: www.bmw.tv enables you to experience the BMW brand in all its diversity. Features, portraits and background reports provide you with information on automobiles, innovations, sports and lifestyle topics.

BMW Driving Experience: The better you control your BMW, the more enjoyment you will derive from driving it. Use our training courses to learn for yourself what it means to reach a car's physical limits on various types of surfaces, and what you have to do to control your vehicle even in extreme situations. For further information please visit www.bmwdrivingexperience.com

BMW Welt: Collecting a new car at BMW Welt ranks among the best moments any driver can experience. Turn this moment into an unforgettable day, and make the handover of your new BMW part of a unique programme of activities tailored to your personal preferences. With the BMW Plant, the BMW Museum and the BMW Group Headquarters, you will be surrounded by fascinating history, a breathtaking present and spectacular visions of the future. Find out more at www.bmw-welt.com/en

BMW Magazine: In BMW Magazine, experience the newest BMW models in front of stunning backdrops. Discover new design trends, travel destinations and the richness of modern life. Encounter people with visionary ideas who are changing the world. Find out more at www.bmw.com/magazine

* May not be available in all countries. Please consult your BMW partner.

SHAPING THE FUTURE – RESPONSIBLY.

In 2014, the BMW Group was once again ranked the most sustainable car manufacturer in the world by the Dow Jones Sustainability Index. It is the only automotive company to have featured on the renowned index every year since its inception. The development of efficient vehicle concepts and eco-friendly production processes, up to and including recycling, is an integral part of our engineering philosophy. BMW EfficientDynamics standards have enabled us to cut the CO₂ emissions of our fleet of new vehicles in Europe by more than 30% between 1995 and today. We're also aiming to reduce the amount of resources such as water and energy used in production by 45% between 2006 and 2020. Production at our engine plant in Steyr has been waste-water free since 2007. And of course each of our vehicles is designed for easy and economical recycling after its long running life. Please contact your BMW partner on all matters regarding your end-of-life vehicle. For further information please visit our websites.
