NEW THINKING.
NEW POSSIBILITIES.

CRETA

NEW THINKING. NEW POSSIBILITIES.

People's expectation toward individual mobility requires more than just a convenient means of transportation. The old understanding of cars has become outdated. A car represents individuals' lifestyles, and it became an integral part of their lives. At the same time, the automobile industry has experienced seismic change. Hyundai Motor Company has grown rapidly to become one of the largest automakers, backed by world class production capability and superior quality. We have now reached a point where we need a qualitative approach to bring bigger ideas and relevant solutions to our customers. This is an opportunity to move forward and we have developed a new brand slogan that encapsulates our willingness to take a big leap. Led by our new slogan and the new thinking underlying it, we will become a company that keeps challenging itself to unlock new possibilities for people and the planet.

CONFIDENT STYLE

Seating up to five in high style and comfort, CRETA doesn't leave much to be desired. Whether in basic GL trim or the premium GLS, CRETA packs more standard features than the competition and proves that good things really do come in small packages.

PROJECTION HEADLAMPS
Elegantly curved positioning lamps are an important part of CRETA's light signature. Incorporating LEDs, chosen for their reliability, long service life and high lumens, they help improve visibility for greater safety.

WRAPAROUND TAILLIGHTS
The large wraparound taillights feature a split-type design for optimal visibility and safer driving. Clear lenses are incorporated for the back up lights.

MIRRORS WITH LED REPEATERS
Visibility and safety are greatly enhanced by embedding LED repeaters into the side mirrors.

REAR GARNISH
Chrome garnish creates an upscale look and is exclusive to the GLS while in GL trim, the garnish matches the body color for an equally impressive presentation.

ALLOY WHEELS
Good looking steel wheels are standard but to really raise your game, consider the optional 16- or 17-inch alloy wheels. Their light weight enhances fuel efficiency and handling.

SMALL FOOTPRINT BIG FEATURES

It may have a small footprint but it is packed with plenty of big features :
That's the beauty of CRETA. Driving around the city, it handles with nimbleness and agility to make parking in tight spots an absolute breeze. And you will find very few compromises in the spacious and surprisingly well-appointed cabin.
