- 50 BMW SERVICE:** BMW Service, BMW Financial Services and BMW Experience.

BREAKS

ALL RULES AND
CONVENTIONS. NOT TO
MENTION HEARTS.

A way of life: the BMW X6. The striking Sports Activity Coupé from BMW confidently rules the road and is destined to stand out everywhere it goes. Its unique concept – a blend of the very best of an athletic coupé coupled with the powerful dynamism of a BMW X – breaks all existing conventions, instantly propelling this exceptional vehicle to its rightful position as the king of the road.

EXPERIENCE ALL OF THE HIGHLIGHTS
IN THIS SHORT VIDEO.

EXPECT
THE EXCEPTIONAL.

The mark of a true athlete: The rear of the BMW X6 makes no secret of its powerful X-pedigree. Horizontal contours highlight its wide stance, making the dynamism of its quintessential L-shaped rear lights with full LED technology stand out even more.

BEND THE LAWS OF PHYSICS.

At the heart of the action: Thanks to its superior handling and dynamic driving characteristics, in the BMW X6 you'll always be on top in traffic. The powerful V8-cylinder petrol engine with BMW TwinPower Turbo technology and eight-speed Steptronic sport transmission means that the BMW xDrive50i accelerates from 0 to 100km/h in an astounding 4.8 seconds.

The BMW S 1000 R is just as dynamic when it commands its space on the road: With 118kW (160hp) and a maximum torque of 112Nm at 9,250rpm, this roadster is poised to meet any challenge. The uncompromising design and highly advanced technology also ensure that the BMW S 1000 R is always in the lead.

**LUXURY HAS ALWAYS
BEEN WRITTEN
WITH AN X.**

Your seat awaits you: The whole interior of the BMW X6 was designed with the driver in mind. Thanks to the vehicle's elevated seating position, you are guaranteed a superior overview of the surrounding traffic. Expertly crafted, exclusive materials create an interior atmosphere reminiscent of a coupé, while the elegant contours that sweep from the cockpit to the rear perfectly express the coupé-style personality of the BMW X6.

Wherever life may take you – the BMW X6 will bring you to your destination. Its design: extravagant. Its driving dynamics: thrilling to the extreme. What makes it different is what makes it so irresistible. Discover it for yourself: the BMW X6.

**WON'T FIT IN A MOULD. BUT FITS
YOU TO A TEE.**

INNOVATION AND TECHNOLOGY.

BMW TWIN POWER TURBO ENGINES: At the heart of BMW EfficientDynamics.

BMW EFFICIENT DYNAMICS: Maximum driving pleasure, minimum fuel consumption.

BMW CONNECTED DRIVE: Services & Apps and driver assistance systems.

CHASSIS: Innovative systems for more driving pleasure.

SAFETY: State-of-the-art technology.

BMW TwinPower Turbo engines. At the heart of BMW EfficientDynamics.

Thanks to BMW TwinPower Turbo technology, the innovative new generation of BMW petrol and diesel engines from the BMW EfficientDynamics engine range guarantee even more thrilling power delivery and excellent responsiveness even at low engine speeds, while also keeping fuel consumption and emissions to a minimum. Increased efficiency and optimal dynamics make driving a BMW more enjoyable than ever.

BMW TWIN POWER TURBO V8-CYLINDER xDRIVE50i PETROL ENGINE.

The powerful BMW TwinPower Turbo V8-cylinder petrol engine combines two turbochargers with Double-VANOS. It is also extremely fuel efficient, thanks to High Precision Injection. With an output of 330kW (450hp), it can accelerate from 0 to 100km/h in an incredible 4.8 seconds. The result is a massive maximum torque of 650Nm at engine speeds between 2000–4500rpm.

BMW EFFICIENTDYNAMICS.
LESS EMISSIONS. MORE DRIVING PLEASURE.

BMW X6 xDrive35i.

- BMW TwinPower Turbo six-cylinder inline petrol engine with 225kW (306hp) and 400Nm of torque
- Acceleration 0–100km/h: 6.4s; top speed: 240km/h
- Combined fuel consumption: 8.5–8.6l/100km¹
- Combined CO₂ emissions: 198–200g/km¹

BMW X6 xDrive30d.

- BMW TwinPower Turbo six-cylinder inline diesel engine with 190kW (258hp) and 560Nm of torque
- Acceleration 0–100km/h: 6.7s; top speed: 230km/h
- Combined fuel consumption: 6.0l/100km¹
- Combined CO₂ emissions: 157–159g/km¹

BMW X6 xDrive50i.

- BMW TwinPower Turbo V8-cylinder petrol engine with 330kW (450hp) and 650Nm of torque
- Acceleration 0–100km/h: 4.8s; top speed: 250km/h
- Combined fuel consumption: 9.7l/100km¹
- Combined CO₂ emissions: 225–227g/km¹

BMW X6 xDrive40d.

- BMW TwinPower Turbo six-cylinder inline diesel engine with 230kW (313hp) and 630Nm of torque
- Acceleration 0–100km/h: 5.8s; top speed: 240km/h
- Combined fuel consumption: 6.2–6.3l/100 km¹
- Combined CO₂ emissions: 163–165g/km¹

BMW X6 M50d.

This M Performance TwinPower Turbo six-cylinder inline diesel engine combines CommonRail direct injection and a unique three-stage turbocharger with variable turbine geometry.

More information can be found on pages 34 | 35.

- M Performance TwinPower Turbo six-cylinder inline diesel engine with 280kW (381hp) and 740Nm of torque
- Acceleration 0–100km/h: 5.2s; top speed: 250km/h
- Combined fuel consumption: 6.6l/100km¹
- Combined CO₂ emissions: 174g/km¹

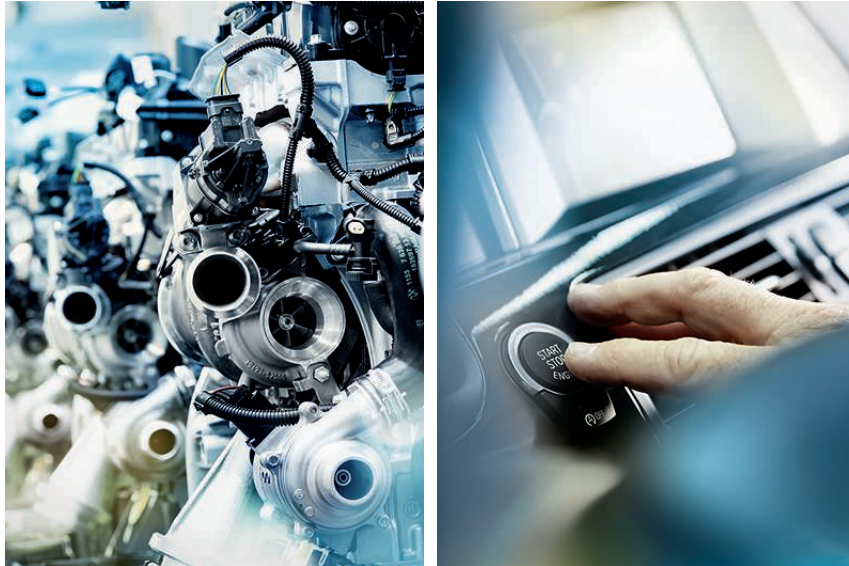

powered by

¹ Fuel consumption and CO₂ emissions are affected by the selected wheel and tyre sizes. For more information, please see pages 48 | 49 or consult your BMW partner.

The figures for output, fuel consumption and CO₂ emissions refer to vehicles with standard transmission.

BMW EfficientDynamics Less emissions. More driving pleasure.

Whether the goal is maximum performance or minimum fuel consumption – for us, the focus is always on delivering quintessential BMW driving pleasure. BMW EfficientDynamics is the strategy developed by BMW to minimise fuel consumption and emissions while simultaneously increasing dynamics and driving pleasure. It is a comprehensive technology package that includes the drive train, energy management and the vehicle concept – and is standard in every BMW.

SPORTY AND EFFICIENT: THE EIGHT-SPEED STEPTRONIC SPORT TRANSMISSION.

The **eight-speed Steptronic sport transmission** adapts to suit your individual driving style. It is perfect for everything from comfortable cruising through to a very dynamic drive. In addition to automatic gear selection, it is of course possible to shift gears manually at any time. You can change gears by using the dynamically designed gear lever or the gearshift paddles on the steering wheel.

DRIVE TRAIN.

BMW TwinPower Turbo petrol engines feature remarkably agile power delivery and excellent responsiveness, even at low engine speeds. At the same time they are more efficient, with lower emissions and better performance than their predecessors.

BMW TwinPower Turbo diesel engines are notable for their outstanding responsiveness and agile power delivery at any engine speed. At the same time, they are highly efficient, featuring low emissions and great dynamics.

OVERALL CONCEPT.

Intelligent lightweight construction at BMW means using the right material at the right place in the vehicle. The most suitable material is selected for each individual component. This method, also referred to as **BMW EfficientLightweight**, is currently an integral component of BMW EfficientDynamics, implemented in every BMW.

ENERGY MANAGEMENT.

ECO PRO mode helps the driver reduce consumption by up to 20 percent, depending on driving style. The additional functions "coasting", Route-ahead assistant and ECO PRO route (only in combination with the Navigation system Professional) open up potential for saving another five percent.

The Automatic Start/Stop function switches off the engine when the vehicle comes to a temporary standstill (e.g. at traffic lights or in a traffic jam) to further reduce overall fuel consumption. When the driver presses down on the clutch (manual transmission) or takes their foot off the brake (Steptronic transmission), the engine automatically starts up again in a fraction of a second.

With **Brake Energy Regeneration**, the alternator generates electricity primarily when the driver brakes or takes their foot off the accelerator. Previously unused kinetic energy is thereby transformed into electrical energy and fed into the battery.

BMW ConnectedDrive

So connected, you're free.

Our world is becoming more closely connected every day. BMW drivers are used to the fact that their vehicle and their world are connected – that they can request information, communicate via telephone or email and always be up to date while they're on the go. The BMW ConnectedDrive concept¹ encompasses all the services and innovative technologies that link BMW vehicles and their passengers to the outside world and surrounding traffic.

The equipment option **ConnectedDrive Services*** offers the driver a wide range of information, entertainment and service features on the road.

It also includes BMW Online, which enables access to current, localised information such as weather, news and an online search powered by Google™, as well as various office functions. You can also combine individual services and features such as webcams, fuel price info, parking information, travel and hotel guides in the "Applications" menu.

The secure and comfortable use of selected smartphone applications is also included for an unlimited period of time. The ConnectedDrive Services option also includes access to the **BMW ConnectedDrive Store**, in which services and apps can be booked, extended and selected according to individual needs, at any time and from any place. The ConnectedDrive Services option also offers much more to make each journey in a BMW into a real experience.

BMW ConnectedDrive encompasses a wide range of intelligent services and assistance systems, allowing everybody to choose just what they need. The **BMW ConnectedDrive Services & Apps*²** provide greater flexibility by networking the driver, car and the outside world. The **BMW ConnectedDrive driver assistance systems** make every drive in a BMW both safer and more convenient. Intelligent systems make the driver's job easier and minimise the risk of accidents.

The optional **full-colour BMW Head-Up Display** projects all information relevant to the journey directly into the driver's field of vision, thereby allowing them to fully concentrate on driving. The display includes information such as the current speed, navigation directions, Speed Limit Info incl. no-overtaking indicator, along with telephone and entertainment lists.*²

Music to go. To ensure that every trip in your BMW becomes an unforgettable experience, the vehicle comes with music apps that play the right song for every occasion. Whether commuting to work, going shopping or heading off on holiday, you can compile your own radio station, choose between a huge array of audio books or stream your own music – all from the comfort of your BMW with the BMW ConnectedDrive Services optional equipment.

The optional **Driving Assistant Plus** includes Approach Warning and Lane Departure Warning, as well as Active Cruise Control with Stop&Go function, and traffic jam assistant, which maintains a pre-set speed and distance to the vehicle ahead at speeds of up to 60km/h. It will also steer the car, improving driving safety and driving comfort.

* May not be available in all countries. Please consult your BMW partner.

¹ For further information on BMW ConnectedDrive, please visit www.bmw-connecteddrive.com

² The display is not fully visible when wearing polarised sunglasses.

³ Services and apps are only available in conjunction with ConnectedDrive Services.

Chassis.

A solid foundation for superior driving dynamics.

The intelligent **BMW xDrive four-wheel drive system** adapts outstandingly to even the most challenging road surface conditions, always offering ample traction. With xDrive and Dynamic Stability Control (DSC) as standard, your car remains directionally stable and controllable. xDrive flexibly distributes drive power to the front and rear wheels, performing lightning-fast adjustments to ensure optimum ground contact at all times. This allows xDrive to combine the advantages of a four-wheel drive – traction, directional stability and safety – with typical BMW agility.

The optional **Comfort adaptive suspension package** combines Dynamic Damper Control with air suspension on the rear axle for the ultimate in driving comfort. And whenever you want more athletic suspension settings, you can use the Driving Experience Control switch to activate one of the two more dynamic modes.

State-of-the-art driving dynamics: The optional **Dynamic adaptive suspension package** allows drivers to optimise the vehicle's full dynamic potential. Encompassing both Dynamic Performance Control and Dynamic Drive, this package is guaranteed to deliver driving dynamics that are intrinsically sporty, while maintaining superior driving comfort, as evidenced by the extremely neutral steering response and minimal body roll in bends.

The best of both worlds: the optional **Professional adaptive suspension package** combines the components of both the Comfort and Dynamic adaptive suspension packages, thereby providing the ultimate in driving comfort while maximising the driving dynamics. You can adjust your vehicle's suspension settings to suit your individual driving style at any time using the Driving Experience Control.

The optional **Dynamic Performance Control** optimises traction, directional stability and agility by distributing drive power to the outer rear wheel when driving through bends.

In combination with the optional M Sport package, the **Adaptive M suspension** includes Dynamic Damper Control and air suspension on the rear axle. Its dynamic basic configuration can be changed using the Driving Experience Control with the SPORT and SPORT+ modes for an even sportier setting.

The optional **Active Steering** varies the steering angle of the wheels, depending on the vehicle's speed. Thanks to a greater steering angle, the steering wheel only needs to be turned slightly when driving slowly. When travelling at faster speeds, the steering becomes less direct, and a reduced steering angle enables smooth directional stability.

Safety.

Unparalleled safety with the latest BMW technology.

■ **Dynamic Stability Control (DSC)** constantly assesses the vehicle's movements and optimises directional stability and traction.

□ **Adaptive Headlights** with variable city and motorway light distribution incl. cornering lights for optimal illumination of the road ahead and BMW Selective Beam (anti-dazzle High-Beam Assistant).

■ **Tyre pressure monitor** measures the air pressure and temperature via a sensor, and notifies the driver of pressure loss.

■ **Passenger cell** optimises passive safety in the event of a crash with its specialised system of beams and nodal connections as well as high-strength materials.

■ **Hill Descent Control (HDC)** is a system in the xDrive models, which, when activated, ensures that the vehicle can negotiate the steepest downhill runs automatically and safely at just above walking pace, without the driver having to brake.

□ **Active Protection** is a preventive passenger protection system developed by BMW. It triggers precautionary measures in potentially dangerous situations and brakes the vehicle after an accident has occurred.

INDIVIDUALITY AND CHOICE.

EQUIPMENT: BMW Pure Extravagance design, M Sport package and BMW M Performance automobiles, BMW Individual, equipment highlights, wheels and tyres, Original BMW Accessories.

COLOURS: Exterior and interior colours.

TECHNICAL DATA: Vehicle weight, engine, transmission, driving performance, fuel consumption, wheels and technical drawings.

BMW SERVICE: BMW Service, BMW Financial Services and BMW Experience.

BASIC.

[01 | 03] The BMW X6 xDrive30d in optional Glacier Silver metallic paint finish with optional 19" light alloy wheels Y-spoke style 595, 9 J x 19 with 255/50 R 19 tyres.

[02] The standard BMW Radio Professional and standard stereo loudspeaker system with six loudspeakers provide entertainment for every journey (shown here: Navigation System Professional).

[04] Standard Coral Red leather upholstery and optional sport seats highlight the dynamic interior.

[05] 19" light alloy wheels Y-spoke style 594, 9 J x 19 with 255/50 R 19 tyres (standard with BMW X6 xDrive35i, BMW X6 xDrive30d and BMW X6 xDrive40d).

PURE EXTRAVAGANCE DESIGN.

■ Standard equipment □ Optional equipment

Interior equipment features:

- door sill finishers in Aluminium on all doors, illuminated at front with "BMW" designation
- seats in exclusive leather 'Nappa' with extended features Ivory White/Black and contrast stitching in Grey, or exclusive leather 'Nappa' with extended features Cognac/Black and contrast stitching in Brown
- car key with Pearl-Gloss Chrome buttons and detailing
- interior trim finishers in fine-wood trim American Oak (with Ivory White/black upholstery) or fine-wood trim Finesline Stripe (with Cognac/black upholstery)
- interior trim finishers in fine-wood trim structured Finesline Pure, fine-wood trim Poplar Grain, Aluminium high finish or BMW Individual decorative trims
- upholstered instrument panel in leather 'Walknappa' Black with contrast stitching Grey (with Ivory White/Black upholstery) or in leather 'Walknappa' Black with contrast stitching Brown (with Cognac/Black upholstery)
- door panels in leather 'Walknappa' Black with contrast stitching Grey (with Ivory White/Black upholstery) or in leather 'Walknappa' Black with contrast stitching Brown (with Cognac/Black upholstery)

The Pure Extravagance interior design can be perfectly combined with the M Sport package and the BMW Individual Collection (see pages 36|37).

Exterior equipment features:

- BMW kidney grille with exclusively designed slats in Cerium Grey and kidney grille frame in Cerium Grey
- front bumper with specific design elements in Cerium Grey and underbody protection design element in stainless steel
- LED fog lights
- 20" light alloy wheels V-spoke style 597 with mixed tyres, other wheels are available
- mirror caps in Cerium Grey, galvanised
- Air Breather with trim element in Cerium Grey
- side window frames and window recess finishers in Cerium Grey, B-pillar, mirror base and mirror foot in high-gloss Black
- rear underbody protection design element in stainless steel
- taillgate trim in Cerium Grey
- car key with Pearl-Gloss Chrome buttons and detailing

May be combined with Pure Extravagance interior design, Dakota leather and alternative wheels. Special recommendation for the Pure Extravagance design: roof rails in high-gloss Black.

01 ■

[01] The exclusive leather upholstery radiates superior elegance in two-tone Cognac/Black with grey contrast stitching.

02 ■

[02] Dynamics with an exclusive ambience – the driver-oriented interior and standard Sport leather steering wheel with integrated gearshift paddles ensure you'll always enjoy a sporty ride.

03 □

04 ■

05 ■

[03 | 06] The BMW X6 in optional Sophisto Grey Brilliant Effect metallic paint finish featuring optional 20" light alloy wheels Star-spoke style 491 with mixed tyres in high-gloss Black.

[04] The lower part of the instrument panel in Cognac and the Finesline Stripe fine-wood interior trim complement the premium leather upholstery.

[05] The Air Breather channels air to the front wheels, thus reducing air resistance, fuel consumption and CO₂ emissions.

06 □

07 ■

08 ■

[07] The brushed, anodised aluminium running boards in Cerium Grey add a distinctive touch to the look of the vehicle and make getting into the car easier.

[08] 20" light alloy wheels V-spoke style 597 with mixed tyres, front 10 J x 20 with 275/40 R 20 tyres, rear 11 J x 20 with 315/35 R 20 tyres.

M SPORT PACKAGE.

powered by 

■ Standard equipment □ Optional equipment

Interior equipment features:

- door sill finishers and driver footrest with "M" logo
- sport seats for driver and front passenger in Alcantara/leather combination Anthracite with M piping, additional upholstery options available
- M leather steering wheel with multifunction buttons and gearshift paddles
- BMW Individual headliner Anthracite
- BMW Individual headliner Alcantara
- interior trim finishers in Aluminium Hexagon; additional interior trim finisher options available
- car key with the exclusive M logo

Exterior equipment features:

- M Aerodynamics package with front apron, side skirts and wheel arch trims in body colour, rear apron with Dark Shadow metallic diffuser insert
- LED fog lights
- 19" M light alloy wheels Double-spoke style 623 M with mixed tyres
- 20" M light alloy wheels Double-spoke style 469 M with mixed tyres
- Adaptive M suspension
- Dynamic adaptive suspension package
- BMW Individual high-gloss Shadow Line
- BMW Individual Exterior Line in satin-finish Aluminium
- M logo on the sides
- exterior mirror caps in body colour
- tailpipe trims in high-gloss Chrome in a design specific to the M Sport package
- exclusive paint finish in Carbon Black metallic; other paint finishes available
- Air Breather in black high-gloss

The BMW Individual Collection perfectly complements the M Sport package (see pages 36 | 37).

The M Sport package can also be perfectly combined with the Pure Extravagance interior design.

01 ■

[01] The M leather steering wheel offers great grip and makes driving easier thanks to multifunction buttons and integrated gearshift paddles.

02 ■

[02] Elegant, electronically adjustable sports seats with memory function and Anthracite Alcantara/leather upholstery with M colours on the piping offer the driver and front passenger optimum lateral support.

03 □

04 ■

05 ■

[03 | 06] The BMW X6 with the optional Flamenco Red Brilliant Effect paint finish.

[04] The Anthracite headliner lends the interior a one-of-a-kind atmosphere.

[05] As soon as the door is opened, the classic M door sill finisher with lettering hints at the excitement to come behind the wheel.

06 □

07 ■

08 □

[07] 19" M light alloy wheels Double-spoke style 623 M with mixed tyres, front 9 J x 19 with 255/50 R 19 tyres, rear 10 J x 19 with 285/45 R 19 tyres.

[08] 20" M light alloy wheels Double-spoke style 469 M with mixed tyres, front 10 J x 20 with 275/40 R 20 tyres, rear 11 J x 20 with 315/35 R 20 tyres.

THE BMW X6 M50d. M GENE INCLUDED.

BMW X6 M50d. The BMW X6 M50d combines an innovative drive train, perfectly aligned suspension technology and a unique design to create a vehicle destined to delight with its blend of unadulterated dynamism, comfort and everyday practicality. The M Performance TwinPower Turbo six-cylinder inline diesel engine with a three-stage turbocharger and CommonRail direct injection delivers an impressive performance coupled with lightning-fast responsiveness and lasting thrust power. With its 280kW (381hp) engine, the BMW X6 M50d takes just 5.2 seconds to accelerate from 0 to 100km/h and has an efficient combined fuel consumption rate of 6.6 litres per 100km and CO₂ emissions of 174g/km. The Adaptive M suspension and Dynamic Damper Control simultaneously ensure that the BMW X6 M50d takes sportiness to a whole new level – allowing you to experience outstandingly precise handling and the ultimate in agility.

BMW Individual

The expression of personality.

BMW Individual paint finish Pyrite Brown metallic and 20" light alloy wheels V-spoke style 551 I.

The BMW X6. Inspired by BMW Individual.

Driving a BMW is, in itself, a mark of character. There are those who still, however, want their vehicles to be even more individual reflections of their personality. The BMW Individual Collection and the BMW Individual Manufaktur meet these needs by opening up seemingly limitless opportunities for differentiation.

Precisely in tune with each model, the BMW Individual Collection offers a highly exclusive selection of equipment options. Fascinating paint finishes either refracting the light or with a matt effect. Leather, unique in colour and scope of application, perfected with clever contrasts and decorative stitching. Interior trims in the most exclusive fine woods, the immaculate Piano finish and the finest leather.

And yet even this can be surpassed – thanks to the BMW Individual Manufaktur. Here, there is only one goal: realising almost any customer request, even the most personal, with stylish, hand-crafted perfection.

BMW Individual extended fine-grain Merino leather in Taupe with decorative perforation along with piping and stitching in a contrasting colour.

BMW Individual extended fine-grain Merino leather in Taupe with instrument panel finished in leather, fine-wood trim Sen Light Brown and leather steering wheel with wood inlay.

EXPERIENCE BMW INDIVIDUAL INTERACTIVE.
WITH THE BMW INDIVIDUAL IPAD APP.

EQUIPMENT HIGHLIGHTS.

■ Standard equipment □ Optional equipment

[01] The electronic glass roof allows the airflow to be regulated, creating a pleasant in-car climate. The integrated wind deflector guarantees a high level of acoustic comfort.

[02] The trailer tow hitch with electronically adjustable tow ball (not visible) and stability control is capable of pulling heavy loads of up to 3,500 kg.

[03] The brushed, anodised aluminium running board adds a distinctive look to the vehicle and makes it much easier to get into the car (shown here in Cerium Grey).

[04] The M Leather steering wheel offers a firm grip and exceptional convenience thanks to multifunction buttons and integrated gearshift paddles.

[05] The Adaptive LED Headlights produce light which is similar to daylight and they adjust their light distribution automatically depending on the vehicle's speed and steering angle.

[06] The soft-close function pulls the door shut gently and electromechanically.

[07] The Sport leather steering wheel with integrated gearshift paddles allows the driver to steer the vehicle, change gears and operate other functions while keeping both hands on the wheel.

[08] Special recommendation for the Pure Extravagance design: roof rails in high-gloss Black.

[09] BMW Individual leather steering wheel in the Sport leather steering wheel design with wood inlay – complements each BMW Individual interior trim.

[10] BMW Individual instrument panel finished in leather (XT1 in Walknappa leather at the top¹ and fine-grain Merino leather in the colour of the upholstery at the bottom.²)

[11] Driving Assistant Plus provides the most modern warning and collision protection functions available, and supports the driver in dangerous or monotonous traffic situations.

[12] The Multifunctional Instrument Display provides an impressive visualisation of the gauges and other instruments.

[13] The full-colour BMW Head-Up Display projects information relevant to the journey directly into the driver's field of vision.³

[14] Driving Experience Control enables the driver to choose between comfortable, particularly efficient, or especially sporty driving.

[15] The iDrive Touch Controller (part of Navigation System Professional); intuitive control via the iDrive Controller touchpad.

[16] There are two cupholders in the centre console at the front, and another two in the centre armrest at the rear, as well as bottle holders in all the doors.

[17] Exclusive ceramic surrounds for controls, such as the gear lever and temperature and volume dials, lend a particularly high-quality look.

[18] The Bang & Olufsen High End Surround Sound system enthral's listeners with its full sound, lighting settings and extendable centre speaker.

[19] Automatic air conditioning with 4-zone control comes with an additional display-based control unit for individual temperature control in the rear.

¹ Black with Amaro Brown, Nutmeg or Criollo Brown upholstery. In Scotch dark with Smoke White or Taupe upholstery.

² The upper and lower parts of the instrument panel and the door panels feature contrast stitching. Only available in conjunction with BMW Individual fine-grain Merino leather.

³ The full-colour BMW Head-Up display is not fully visible if you're wearing polarised sunglasses. The content shown will depend on the equipment options chosen.

EQUIPMENT HIGHLIGHTS.

■ Standard equipment □ Optional equipment

[01] Surround View is a visual parking aid that includes the 360° camera systems Top View, Rear View and Panorama Side View.

[02] The latest generation Parking Assistant provides the driver with maximum support – by taking charge of selecting the correct gear, as well as steering, acceleration and braking.

[03] The Professional rear-seat entertainment system offers the best possible entertainment options for passengers sitting in the rear thanks to two separate HD colour displays.

[04] The convenience telephony with extended smartphone connectivity¹ enables a mobile phone to be connected to the vehicle via Bluetooth and used with a hands-free kit.

[05] Real Time Traffic Information (RTTI)² almost instantly delivers traffic information about motorways, country roads and main roads, as well as numerous urban routes.

[06] BMW Night Vision with Dynamic Light Spots makes it easy to identify people and large animals at night – even at a significant distance.

[07] Speed Limit Info incl. no-overtaking indicator provides information on speed limits as well as no-overtaking zones.

[08] When driving off-road, xDrive Status offers an overview of information such as the cross slope and angle of incline, as well as a compass.

[09] In warm weather, the active seat ventilation in the front ensures provides a cool and pleasant seat temperature, for a more comfortable driving experience.

[10] The BMW Individual cooling box³, which is electrically operated and easy to remove, can accommodate two 0.7 litre bottles and three beverage cans.

[11] With Comfort Access³, the driver merely has to carry the key – all doors, incl. the tailgate, are locked and unlocked without direct use of the key.

[12] The sport seats for the driver and front passenger provide optimal support, along with numerous electrical adjustment options.

[13] The storage package includes a number of clever solutions that allow large and small objects, as well as items of luggage, to be secured and stowed.

[14] The 4 + 1 seating concept, which includes two visually contoured individual rear seats, lends the car a dynamic coupé character and has room for five passengers.

[15] With the Pro ski and snowboard bag, there is still room in the rear for up to two passengers.

[16] Knee pads on the centre console for both the driver and front passenger provide comfortable lateral support for legs – especially when taking bends at speed.

[17] With its wide variety of LED lights and adjustable lighting colours, the lighting package increases comfort both inside and outside the vehicle.

¹ May not be available in all countries. Please consult your BMW partner.

² More information on the Bluetooth compatibility of smartphones and other mobile devices is available at www.bmw.com/bluetooth

³ When integrated into the luggage compartment, the luggage compartment capacity decreases by approx. 60 litres.

⁴ The contactless opening and closing of the tailgate function is not available in conjunction with the Pure Extravagance exterior design.

WHEELS AND TYRES.

■ Standard equipment □ Optional equipment ○ Accessories

[01] 19" light alloy wheels Y-spoke style 594, 9 J x 19 with 255/50 R 19 tyres (standard with BMW X6 xDrive35i, BMW X6 xDrive30d and BMW X6 xDrive40d).

[04] 20" light alloy wheels Star-spoke style 491 with mixed tyres, high-gloss Black, front 10 J x 20 with 275/40 R 20 tyres, rear 11 J x 20 with 315/35 R 20 tyres.

[07] 21" BMW M Performance Double-spoke style 310 M, bi-colour Ferric Grey, gloss-lathed, M logo, with mixed tyres, front 10 J x 21 with 285/35 R 21 tyres, rear 11.5 J x 21 with 325/30 R 21 tyres.¹

[02] 19" light alloy wheels Y-spoke style 595, 9 J x 19 with 255/50 R 19 tyres (standard with BMW X6 xDrive50i).

[05] 19" light alloy wheels Star-spoke style 490, BMW EfficientDynamics, 9 J x 19 with 255/50 R 19 tyres.

[08] 21" BMW Performance Y-spoke style 375, bi-colour Ferric Grey, gloss-lathed, BMW Performance lettering, with mixed tyres, front 10 J x 21 with 285/35 R 21 tyres, rear 11.5 J x 21 with 325/30 R 21 tyres.¹

[03] 20" light alloy wheels Y-spoke style 451 with mixed tyres, front 10 J x 20 with 275/40 R 20 tyres, rear 11 J x 20 with 315/35 R 20 tyres.

[06] 20" BMW Individual light alloy wheels V-spoke style 551 I with mixed tyres, front 10 J x 20 with 275/40 R 20 tyres, rear 11 J x 20 with 315/35 R 20 tyres.

ORIGINAL BMW ACCESSORIES.

[01] Bicycle holder for transporting up to two bikes (max. 60kg). Securely mounts to the trailer tow hitch. Tilting function for easy access to the luggage compartment.

[03] The premium quality black leather case with a stylish stainless steel clasp prevents the buttons from being accidentally pressed and protects the key against scratches and dirt.

[05] BMW junior seat, group 1. Seat, Black/Anthracite, for children from approx. 12 months to 4 years old (approx. 9–18kg), for mounting on the ISOFIX base (to be ordered separately). Includes air pads for more side impact protection.

[02] Luxury ski and snowboard bag for safe transport of up to four pairs of skis or three snowboards within the vehicle. Thanks to the wheels and use of real leather, the bag is both convenient and elegant.

[04] The perfectly fitted, durable mat with a raised border and stainless steel metal inlay protects the footwell and feet from moisture and dirt.

[06] Light alloy wheels in bi-colour matt Orbit Grey, gloss-lathed on the visible side, with rolled-steel rim bed and "M" logo. TPMS complete wheel set with run-flat mixed tyres.

[07] Connect Universal snap-in adapter. An adapter for all compatible telephones with a micro USB port. In addition to charging, it improves reception and allows for safe storage.

Luggage compartment capacity 580 to 1,525 litres.

¹ The figure quoted includes a 90% full tank, 68kg for the driver and 7kg for luggage. Unladen weight applies to vehicles with standard equipment. Optional equipment will increase this figure.

² Only with factory-fitted tow bar, otherwise the max. trailer load is 2,700 kg / 140 kg tow bar download.

³ BMW recommends the use of 95 RON super unleaded petrol. Unleaded fuels 91 RON and higher with a maximum ethanol content of 10% (E10) may also be used. Output and fuel consumption figures apply to 96 RON fuel. The BMW X6 M50d is designed for use with sulphur-free diesel petrol.

⁴ All engines comply with the EU6 emissions standard. Fuel consumption is determined in accordance with the EC driving cycle (93/116/EEC) which consists of approximately one-third urban traffic and two-thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption. Optional equipment may increase these figures. For further information about fuel consumption and CO₂ emissions, please consult your BMW partner.

⁵ Electronically limited.

WELL TAKEN CARE OF WITH BMW SERVICES:

When you buy a BMW, you can look forward to superb service and comprehensive customer care. For example, the **Condition Based Service** independently tracks both service fluid levels and the condition of parts subject to wear and then notifies you in the display when the vehicle requires servicing. So you only need to go to your BMW service partner when it's really necessary. When you do go, our

qualified BMW service specialists take care of your vehicle using the newest workshop technology and only **original BMW parts**. This service is available worldwide in more than 3,300 BMW service partner establishments in over 150 countries, to provide you with limitless driving pleasure.

BMW SERVICE.

BMW Service Inclusive*: The BMW Service Inclusive service packages ensure that costs for maintenance, inspection and worn parts are covered for the duration of your contract, allowing you to focus on unlimited driving pleasure. This service is available worldwide from all participating BMW service partners. For more information please visit www.bmw.com/serviceinclusive

BMW Guarantee extension: The BMW guarantee extension packages offer extended protection for your newly purchased BMW, in addition to the legal guarantee period. So you can enjoy another three years of carefree driving (up to the vehicle's 5th year). Find out more at www.bmw.com/serviceinclusive

BMW Mobile Service*: This service is there for you in case of a breakdown, day and night. Specially trained BMW technicians do everything necessary, on the phone or on-site, to get your car back on the road as fast as possible. We offer a comprehensive country-specific mobility package for breakdowns and insurance that covers you in the event of an accident or theft. And in case of an accident, call us at the BMW accident hotline! We'll take care of calling the police, an ambulance, a tow truck, a replacement car, notifying your insurance company and much more. For more information visit www.bmw.com

BMW Teleservices*: With Condition Based Service, you'll be automatically notified in the display of your next necessary service appointment. Provided you've consented, the most important vehicle data required for analysis will be relayed to BMW automatically. Your assigned BMW service partner will access the information and contact you free of charge to make a service appointment – if one is necessary. To access BMW Teleservices, the vehicle must be equipped with the optional Intelligent Emergency Call or ConnectedDrive Services. If necessary, the service can be deactivated at any time. For more on this topic please visit www.bmw.com/teleservices

BMW FINANCIAL SERVICE.

BMW Financial Services: Tailor-made finance: BMW Financial Services offers you attractive leasing, finance and insurance packages. For further information visit www.bmwfs.com or ask your local BMW partner to make you an individual offer.

THE BMW EXPERIENCE.

BMW TV*: www.bmw.tv enables you to experience the BMW brand in all its diversity. Features, portraits and background reports provide you with information on automobiles, innovations, sports and lifestyle topics.

BMW Driving Experience: The better you control your BMW, the more enjoyment you will derive from driving it. Use our training courses to learn for yourself what it means to reach a car's physical limits on various types of surfaces, and what you have to do to control your vehicle even in extreme situations. For further information please visit www.bmwdrivingexperience.com

BMW Welt: Collecting a new car at BMW Welt ranks among the best moments any driver can experience. Turn this moment into an unforgettable day, and make the handover of your new BMW part of a unique programme of activities tailored to your personal preferences. With the BMW Plant, the BMW Museum and the BMW Group Headquarters, you will be surrounded by fascinating history, a breathtaking present and spectacular visions of the future. Find out more at www.bmw-welt.com/en

BMW Magazine: In BMW Magazine, experience the newest BMW models in front of stunning backdrops. Discover new design trends, travel destinations and the richness of modern life. Encounter people with visionary ideas who are changing the world. Find out more at www.bmw.com/magazine

* May not be available in all countries. Please consult your BMW partner.

SHAPING THE FUTURE – RESPONSIBLY.

In 2014, the BMW Group was once again ranked the most sustainable car manufacturer in the world by the Dow Jones Sustainability Index. It is the only automotive company to have featured on the renowned index every year since its inception. The development of efficient vehicle concepts and eco-friendly production processes, up to and including recycling, is an integral part of our engineering philosophy. BMW EfficientDynamics standards have enabled us to cut the CO₂ emissions of our fleet of new vehicles in Europe by more than 30% between 1995 and today. We're also aiming to reduce the amount of resources such as water and energy used in production by 45% between 2006 and 2020. Production at our engine plant in Steyr has been waste-water free since 2007. And of course each of our vehicles is designed for easy and economical recycling after its long running life. Please contact your BMW partner on all matters regarding your end-of-life vehicle. For further information please visit our websites.
